Case No. C06-5502FDB

ORDER GRANTING DEFENDANT
GRAYS HARBOR COMMUNITY
HOSPITAL'S MOTION TO QUASH
SUBPOENA TO PROVIDENCE
PROVIDER CREDENTIALING

Defendant Grays Harbor Community Hospital (Hospital) move for an order quashing the subpoena that Plaintiff (pro se) served upon "Providence Provider Credentialing" because it fails to comply with Fed. R. Civ. P. 45 in that it does not contain the name of the Court from which the subpoena issued, the specific place for production, the service was improper and the plaintiff is not a person authorized to serve the subpoena, and Plaintiff failed to inform the defendants of the

1 subpoena. Defendant indicates that its counsel spoke with Plaintiff and advised him of the necessity
2 of making proper discovery requests, but that Plaintiff, nevertheless, served the improper subpoena.

3 Plaintiff's (pro se) actions have been confusing, as on December 7, 2006 he both filed (1) a
4 Praecipe for a subpoena duces tecum to obtain credentialing records from St. Peter's Hospital, and
5 (2) a document entitled Plaintiff's Request to Withdraw Subpoena, which referenced the subpoena
6 filed on November 15, 2006. The December 7, 2006 Praecipe references the same documents as the
7 referenced in the November 15, 2006 Praecipe.

8 In any event, Defendant Gray's Harbor Community Hospital's motion is well taken and
9 Plaintiff has not responded to the motion.

10 NOW, THEREFORE, IT IS ORDERED: Motion of Grays Harbor Community Hospital To
11 Quash Subpoena To Providence Provider Credentialing [Dkt. # 52] is GRANTED and the subpoena
12 issued to Providence Provider Credentialing is QUASHED.

13 DATED this 13th day of December, 2006.
